

# The Top 20 Things to Do for Success

## / to Achieve More

### By Tobin Knight

1. Partner with the Creator - God- see what happens.
2. Know your limiting beliefs - change the story you tell yourself, and you will change your life.

*Your life will take you in the direction of your dominating thoughts. As a man thinketh so is he.*

3. Know what you want. Write out each goal - Be precise. Set high standards in life.
4. Know why you want it.-The more whys, the more fuel for the fire. More desire.
5. The plan will come the more you focus on numbers 3 and 4.
6. Focus on your health -sleep more - 30 min on average more- exercise - diet.
7. Play the game with the end in mind. Your friends will lift you up or tear you down.

*I can tell you about your future if you let me know who your friends are. You will become like your friends.*

8. Take action - massive action, be proactive. Don't follow the herd/society. Be unique - different, honest, genuine, not fake.

*If you keep doing the same thing, don't expect a different result. If you want more, then do more.*

9. Stay as positive as you can. The glass is half full. One must be optimistic.
10. Never give up; get back up when you fall. When you make a mistake, learn from it and adjust - change the plan.

*I don't lose; I learn -Keep knocking at the door,*

11. Learn more, study more, knowledge is power, read more, and watch YouTube videos. Study successful people. Study- read 30 min a day.

12. Mental health, take care of yourself. Be open to getting help.
13. Don't lie, cheat, or steal; what goes around comes around. We must unite and get along and be civil with one another.
14. One must develop the skills and traits they have been given.
15. You must have a vision for your life. A master plan -It is better to give than to receive -

*We should look for opportunities to help one another.*

16. At night list the six things you want to get done the next day - then list them in the order of most important -

*When you get up, start on the list - starting with the top one - get that done 1st - then move on to the 2nd item of importance.*

*If you finish your list that day, you can move on to the next six items. It seems simple - this trick will make one very productive. Momentum will build.*

17. Believe that you are successful - that you have the skills to succeed. Take massive action.
18. Dream big, then times that by 10- why not go large? If you are going to fail - fail big time.
19. Don't complain - people do not want to listen to you complaining -
20. When you lie, you get confused, be the best you can be. Get back up and fight. God bless us all.
